Here's what people are saying about Darlington Puree Bread & Bakery Mix:

"Darlington Puree Bread & Bakery Mix is a great product. We've used it to make sweet rolls, banana muffins and peanut butter and jelly. Our residents love them! And the finished product looks so nice on the plate."

- James R. Kennedy, Apple Healthcare

"One delicious taste sold me on Darlington Puree Bread & Bakery Mix. The pureed bread is such a versatile and easy to prepare product. All of our facilities are enthusiastic about serving this unique product. It is far superior to anything we have tried before."

- Mary Schenck, IIT Sourcetechn

Ingredients: Bleached wheat flour, sugar, soybean hull, dextrose, palm and partially hydrogenated soybean oil, modified food starch, salt, resistant maltodextrin, corn syrup solids, vitamin & mineral premix (dicalcium phosphate, niacinamide, reduced iron, thiamine mononitrate, riboflavin and folic acid), vegetable gum, yeast, soy lecithin, natural and artificial flavors, sodium caseinate, baking soda, dipotassium phosphate, and sodium aluminosilicate (as an anti caking agent).
